

Welcome to TAMARAC

With a population of 63,000, Tamarac is located in the West of Broward Country with its western border next to the Everglades. Only 12 square miles and 52 years old, the business and residential growth of the City of Tamarac has enabled us to plan an event for everyone, bringing the community together to appreciate arts & crafts while enjoying a public Festival. Come and experience history in our City as we celebrate our second year of The Tamarac Arts & Crafts Festival.
